Over 2,000 additional meds available! Call for a FREE quote

The drugs listed above are brand names shown for reference only. Prices quoted are for generics and are subject to change. Orders are placed for a three (3) month supply to maximize savings.

Since 2003, The Canadian Medstore has helped clients find and access the best prices on their prescription medications by working with licensed U.S. and international pharmacies. While not a pharmacy, this U.S.-based company still provides personalized customer service through face-to-face or phone consultations at convenient locations.

Trusted by over one million Americans, they deliver safe, affordable prescriptions and help clients save hundreds or even thousands of dollars annually. The Canadian Med Store is your local, reliable source for discounted prescriptions.

This is a free benefit available to all Franchise Benefit Solutions clients!

Must be enrolled in one or more benefits to take advantage of this free benefit.
